

Excalibur Electronics

Digital Weather Station
User's Guide

Congratulations on your purchase of the Digital Weather Station from Excalibur Electronics. Keep up to date with the time, date and most importantly the weather!

Please read this guide thoroughly and keep for reference.

Model No.: 8500

INSTALLING BATTERIES

1. Lay the unit face-down on a soft surface such as a towel or magazine.
2. Use a Phillips head screwdriver, remove the battery compartment cover.
3. Insert two button cell batteries.
4. Replace the cover and securely screw it back into place.

SETTING THE TIME

1. Hold SET key for 3 seconds to enter Time Edit mode.
2. Press MODE to select between a 12HR or 24HR clock.
3. Press SET and the hour will flash. Use UP/DOWN to change the hour.
4. Press SET again and the minutes will flash. Use UP/DOWN to change the minutes.
5. Press MODE when you are done to confirm.

SETTING THE DATE

1. Press MODE key two times to enter Date Setting.
2. Hold SET key for 3

seconds to enter Date Edit mode.

3. Press Mode and use UP/DOWN to set the year.
4. Press SET to confirm the month and move into setting the day.
5. Press MODE to confirm.

SETTING THE ALARM

1. Press MODE key once to enter Alarm Mode.
2. Hold SET key for 3 seconds to enter Alarm Edit mode.
4. Use UP/DOWN to set the hour.
5. Press SET and adjust the minutes.
6. Press MODE to confirm.

When in alarm mode, press UP to turn the alarm on. A bell will be displayed on the screen when the alarm is on.

- Press UP again to set the alarm to sound every hour.
- Press UP again to turn the alarm off.

SNOOZE

Press the SNZ button to snooze the alarm. Alarm will sound again in 5 minutes.

TEMPERATURE & HUMIDITY

1. Press the SET key to select °C/°F.
2. Use UP/DOWN to check the maximum and minimum temperature and humidity since the unit was powered on.
3. Hold UP key for 3 seconds to clear temperature and humidity information.

MOON PHASE

The Moon Phase will automatically set itself.

CARE & HANDLING

- Do not submerge in water or other liquids.
- Do not expose to extreme temperatures, humidity or direct sunlight.
- To clean, wipe with a dry cloth.
- Do not place surfaces which are prone to vibration.
- Do not throw, drop, smash or otherwise subject the unit to physical shock.
- Do not disassemble the unit.

This device should be used only as a reference for current weather conditions.

90-DAY LIMITED WARRANTY

EXCALIBUR ELECTRONICS, INC., warrants to the original consumer that its products are free from any electrical or mechanical defects for a period of 90 DAYS from the date of purchase. If any such defect is discovered within the warranty period, EXCALIBUR ELECTRONICS, INC., will repair or replace the unit free of charge upon receipt of the unit, shipped postage prepaid and insured to the factory address below.

The warranty covers normal consumer use and does not cover damage that occurs in shipment or failure that results from alterations, accident, misuse, abuse, neglect, wear and tear, inadequate maintenance, commercial use, or unreasonable use of the unit. This warranty does not cover cost of repairs made or attempted outside of the factory.

Any applicable implied warranties, including warranties of merchantability and fitness, are hereby limited to 90 DAYS from the date of purchase. Consequential or incidental damages resulting from a breach of any applicable express or implied warranties are hereby excluded. Some states do not allow limitations on the duration of LIMITED 90-DAY WARRANTY implied warranties and do not allow exclusion of incidental or consequential damages, so the above limitations and exclusions in these instances may not apply. The only authorized service center in the United States is:

Excalibur Electronics, Inc.

13755 SW 119th Ave

Miami, Florida 33186 U.S.A.

Phone: 305.477.8080

Fax: 305.477.9516

www.ExcaliburElectronics.com

Ship the unit carefully packed, preferably in the original carton, and send it prepaid, and adequately insured. Include a letter, detailing the complaint and including your daytime telephone number, inside the shipping carton. If your warranty has expired and you want an estimated fee for service, write to the above address, specifying the model and the problem.

NOTE: Please do not send your unit without first receiving an estimate for servicing from EXCALIBUR ELECTRONICS, INC. Contact us before sending your unit. We cannot store your unit!
